NO. 15.

Braggadocio News.

Dervey Johnson has been right sick with appendicitis.

Bert Skinner has purchased the store building that he now occupies, from T. L. Hatley.

School began Monday but the attendance was small. Miss Mary Lewis took charge of the primary room in the absence of Miss Grinstead, who hasn't recovered from the measles yet.

Harvey Bryant has a case of pneumonia this week.

Dan Smith of Savannah, Tenn., is visiting S. L. Robinson this week.

T. C. Oulp and family spent Sunday with Tom Lewis and family.

Misses Lonnie and Willie Grinstead have purchased some new bicycles and expect to do a lot of riding this summer.

Mr. and Mrs. Joe Morgan have a new girl at their house. The young lady arrived Sunday, mother and baby doing fine.

P. H. Stultz is no better this week.

A One Time Ad Sells It.

Last week Judge J. M. Argo had us place a small four line local in our classified column offering to sell or trade an Edison phonograph, and within thirty-six hours he had an inquiry from a party at Campbell, a news butcher on the "Ham" train. And that party was a buyer. The judge rushed to this office and told us to stop that local as he didn't have another phonograph for sale, but if he did he would certainly use Herald columns.

TAKING THE RISK OUT OF BUYING

That is Exactly What We Have Done

After attending the Style Show in St. Louis this week we know exactly what to buy in Ladies' Millinery and Apparel. And we have coming a fine line of the latest and most approved styles in these lines.

Our Millinery department will be in charge of Miss Yancy, an experienced trimmer, who will be with us March 4th. Watch for our opening announcement.

COUNTY SEAT HIGHWAY TO BE BUILT AT ONCE

Kennett Commercial Club Takes a Hand—Will Pass Directly Through Hayti, and Mean Much to Us.

Drew Vardell of Kennett was in Hayti last week talking with several of our representative business men relative to the new county seat highway to be built from Kennett in Dunklin county to Caruthersville, of this county.

He informed us that the Kennett Commercial Club has organized to help in his county and that they are taking considerable steps to begin at once the construction of their part of the highway, from Kennett to the county line between the two counties. It seems there is a great spirit in our neighboring county and that they are very enthusiastic over the project, and in which they are right.

There is nothing that will bring the two counties into a better relationship than the construction and the building of the many bridges through the Little River swamps, and over the numerous county ditches. Yet with this expense the Kennett Commercial Club proposes to raise between \$10,000 and \$12,000 for the purpose of applying to construct their end of the road, which shows to what extent Kennett is interested.

With this road, which, when finished, will pass through the center of Hayti, will be of great benefit to Hayti, drawing much trade from the surrounding country. The court house in Kennett is directly west on the

section line running north of the school building in this city, and it will be noted that the road set there will be a very pretty stretch for those automobilists who appreciate a good long run for a Sunday afternoon.

We must urge upon the people of Hayti to lose no time in asking the county court to act in connection with the Dunklin county court, and to get this road opened and under construction within the shortest possible time. We have everything to gain and absolutely nothing to lose. The time to act is right now.
